*Contact Info: Eric Cashdan,*

Kim Keiserman has been an involved and energetic community advocate and activist for over 20 years.

Kim's dedicated service to the environment and the educational community over this time, as well as her leadership role helping to elect Tom Suozzi are the best predictors of her potential effectiveness as our senator from District 7.

Kim Keiserman has earned our vote on Election Day, November 5! And, if you can, vote early!
